**Christmas Appeal for Poor Children.**

Children's Aid Society has for thirty years been caring for little street children of New-York, the newsboys, booters, little peddlers, street sweepers, "baggage smudgers," and the thousands of other children who roam the streets and parks of this city at home in their ragged and soiled papers or work at home in the tenement houses. These poor children are a great thing. Very many are honest, friendly, some wander about ragged and barefooted snow and winter's storm; many are hungry and heart-broken for whom no man cares.

Children's Aid Society to make one happy day for these children, the day of poverty! Who that thinks what his own children become, thus thrown out into the bitter life of the city, can refuse to make Christmas day a bright one to little victims of misfortune.

Next Christmas, gift to the homeless orphan in a home. A hundred dollars will send five homeless children to a home far the West.

to 100 hungry children. One hundred dollars will give a Christmas dinner to several hundreds of boys in a big home.

It will help to make Christmas holidays happy to those we love best.

Children's Aid Society, 19 East 43rd, New York.
